## Storage Solutions

### LOCKERS

Lockers offer a profitable use for over-the-unit space, or as stackable unit alternatives for minimal storage needs. Our lockers are custom-built to utilize every possible square foot of storage space. And they're durable enough to withstand most floor loads. Wine storage lockers are also available for this growing niche market. Corrugated doors available in 20 standard colors. Flush doors and partitions also available in our French Oak wood grain collection.

### SHELVING

Shelving offers a sought-after organizational upgrade to in-unit storage. Made of 20 gauge galvalume. Multiple levels of shelving are available.
