Janus International Introduces New Service

FOR IMMEDIATE RELEASE

(Temple, GA – May 11, 2011) Janus International is pleased to expand its array of service offerings to meet specialized dealer requirements by offering rolling steel curtains pre-installed to the barrel in the plant, then packaged and shipped complete with headplates attached.

This service addresses installation circumstances that benefit greatly from the pre-assembly process by increasing installation speed and jobsite safety. It is available for all Janus service and fire protection products.

###

Janus International is a leading provider of roll up doors, hallways systems, portable storage solutions and rolling steel doors. Headquartered in Temple, GA, Janus has six locations worldwide. For more information, visit our website at www.janusintl.com
