

**JANUS**  
INTERNATIONAL GROUP

# NS ENHANCED SECURITY

ENSURING BOTH STABILITY AND DURABILITY

The **NS** Series from Janus International incorporates an enhanced design that includes anchored guides on the floor, ensuring both stability and durability. A robust lower bar, equipped with secure clips that smoothly glide within the guides, combine with firmly anchored guides on the floor to provide elevated strength and support. Ideal for light-duty use in carports, barns, sheds, and self-storage/commercial unit mix.

## NS+ DOOR

- **Suitable for door replacements and new construction.**
- **SIX** 9-gauge SECURITY CLIPS that extend fully into the guide.
